

Dear Faculty, Staff and Post-Docs,

Celebrate the beginning of summer with some sweet homemade goodies and treats – courtesy of the baker in all of us!

On June 29<sup>th</sup>, we invite you to bring your favorite homemade snacks/desserts to share with everyone in our summer kick-off social.

So dig up those award-winning recipes – whether it be cookies, pies, cakes, cupcakes or even a loaf of sourdough bread – and we'll see you there!

(No prior baking experience? No worries! Bakers of all expertise are welcome – you might even learn a few tricks or two!)

Coffee and tea will be provided.

**When:** Wednesday, June 29, 2022 from 10:00am to 11:00am

**Where:** FSC 1220

Wishing you all the best,

*Forestry Social Committee*
