**Subject:** REMINDER: Launch of Enhanced CWL on VPN - Week of July 11th

Enhanced CWL over identity VPN will be engaged today. As a friendly reminder,
Using DUO, sign in as jdoe.frsc@app
Using the hardware token, sign in as jdoe.frsc@123456 where "123456" is the number your token shows.
Using phone call method, sign in as jdoe.frsc@phone where "phone" is the phone number associated with your enhanced CWL
That is all,
Carl

**Subject:** REMINDER: Launch of Enhanced CWL on VPN - Week of July 11th

Friendly reminder, Enhanced CWL on identity VPN will be initiated a week from today. To prepare for this change and if you use the DUO MFA app, this week modify the VPN username as shown below so your VPN login popup is pre-staged.

Cybersecurity

PRIVACY MATTERS
@ UBC

**Launch of Enhanced CWL on VPN**

Dear Forestry Staff & Faculty,

Keeping information secure is a priority at UBC, and as part of our ongoing effort to enhance cybersecurity, beginning week of July 11 2022, we are implementing Enhanced CWL on Virtual Private Network (VPN). When you attempt to connect to VPN you will be asked to verify your identity by using a secondary method in addition to your password.

In order to avoid interruptions after the change, I invite you to visit the Enhanced CWL page at hxxps://privacymatters.ubc.ca/enhancedcwl or contact your local IT Team. An introduction and how to video **VPN with Enhanced CWL.mp4** is located in the following Faculty Shared Drive location:

> PC: S:\General\IT_Other or \\files.ubc.ca\team\files\General\IT_Other
> Macs: smb://files.ubc.ca/team/files/General/IT_Other

Thanks to all of you for supporting this important initiative!

Carl on behalf of Central IT
